CHAMBERS OF
THE CHIEF JUSTICE

May 27, 1981

Dear Mr. Segal:

Judge Kaufman has told me of your fine work in volunteering your time and experience on the Judicial Survivor's Annuity Plan. The study prepared by you has been a valuable service in the public interest.

It is good to know that we have people such as yourself in this great country of ours who are willing to contribute their time and effort to public problems.

Cordially,
